

RadarOpus price list

until 30.11.10

As a current Radar user, any books or modules currently available for Radar 10 which you have bought previously will be automatically included in your upgrade to RadarOpus, as will the Pro level of functionality (except Winchip Pro).

As a RadarOpus owner you will be able to download any book or module direct from the Opus web-shop. Naturally, the more you choose to buy initially, the better value you will get, particularly if you purchase at the pre-launch special price. Act now and reserve your copy today for a deposit of just £100.00*. Expected release date: January 2011

SAVE 30%: OFFER VALID UNTIL 30th NOVEMBER 2010

The Platforms:
